Chapter twelve Maps!

Harvey and Walloping look out over the swamp...

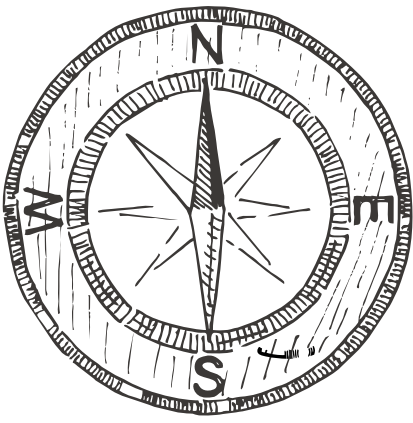

Can you add to Walloping's map collection by drawing a map of the Stinking Sinking Swamp for him?

Places to include:

- Madame Bogbrush's School for Gifted Giants
- The town where Walloping's ma and pa live
- Bogeyman Bog
- The Vampire Mountains
- The house on the edge of the swamp Harvey and his mum moved to at the start of the story

You could also make up a few places of your own!

Chapter twelve Maps!(2)

Harvey and Walloping look out over the swamp...

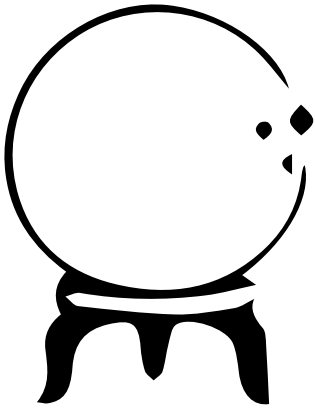

Now you've drawn Harvey and Walloping's world, try telling your own story, set in a world you've created.

Draw your own map, and think about:

- where your main character lives
- where something secret is hidden
- where they find their favourite thing in the world
- where something scary lives - what is it?

Remember to give your world a name!

Chapter thirteen

Make your own predictions!

What happens next?

You've just met Mistress Ring, the new Spellings teacher. While we wait for Harvey and Walloping to find the Fortune Teller in the Cellar, make your own predictions about what will happen next.

- How do you think you teach a giant to vanish?
- What do you think will happen when Harvey tries to vanish?
- How will Norma Enormous feel about not being picked? What will she do next?
- Do you think Mistress Ring will be a nice teacher? Why?
- Walloping thinks Mistress Ring is a Country Giant. Where do you think she's come from?
- Will a vanishing trick impress Ms Sugar Plum, the school inspector?

Write your answers down ... then when you read the rest of the book you can see if your predictions were right!
